

To our valued customers: Due to the unprecedented effects on product supply caused by the concerns over the Covid-19 Virus we have decided to temporarily minimize the variety and quantity of items in our weekly circular. At Randy's Bi Lo we have always prided ourselves on bringing to you, our loyal customer, value and savings every day. We have always placed great importance on having "as advertised" items in stock and available for you. Unfortunately with the uncertainty of the availability of many products, we will reserve the right to limit quantities and will not be offering rain checks.

We will continue to work with our suppliers, to provide you, our valued customer, with the products that your family needs as quickly as they become available. We will continue to provide value and saving throughout our stores.

Your cooperation & continued patronage is truly appreciated. Randy
